

Table 3 – Mobility justice

- . What does the term ‘mobility justice’ mean to you?
- . Should certain societal groups be given priority when it comes to opportunities to see more of the world? How would you frame your argument?
- . Think of a favourite trip abroad. Whose labor and resources made that travel possible?
- . How can we create more just worlds in terms of not only *freedom* of movement but also *equality* of movement?
- . If you were a transport minister, would you make free public transport a priority? ...for everyone? for some...? For whom and why (/not)?
